Tariff Format

A. **Page Numbering** - Page numbers appear in the left corner of the page. Pages are numbered sequentially. However, new pages are occasionally added to the tariff. When a new page is added between pages already in effect, a decimal is added. For example, a new page added between pages 13 and 14 would be 13.1.

B. **Page Revision Numbers** - Page Revision Numbers also appear in the upper left corner of each page. These numbers are used to determine the most current page version on file with the Commission. Consult the check sheet for the page currently in effect.

C. **Paragraph Numbering Sequence** - There are nine levels of paragraph coding. Each level of coding is subservient to its next higher level:

2. Definitions

Certain terms used generally throughout this tariff are defined below:

Access Code - A sequence of numbers that, when dialed, connect the caller to the provider of services associated with that sequence.

Aggregator - Any person or entity that, in the ordinary course of its operations, makes telephones available to the public or to transient users of its premises, for intrastate telephone calls using a provider of operator services. An Aggregator is also both an Authorized User and a Customer.

Authorization Code - A numerical code, one or more of which may be assigned to a Customer, to enable the Company to identify the origin of the service user so that the Company may rate and bill the call. All Authorization Codes shall be the sole property of the Company and no Customer shall have any property or other right or interest in the use of any particular Authorization Code. Automatic Numbering Identification ("ANI") may be used as or in connection with the Authorization Code.

Authorized User - A person or entity which accesses the Company's services. An Authorized User is responsible for compliance with this tariff.

2. Definitions (Cont'd)

Billed Party - The person or entity responsible for payment for use of the Company's services. For a Direct Dialed Call, the person or entity responsible for payment is the Customer responsible for payment for local telephone service at the telephone used to originate the call. In the case of a credit card call, the person or entity responsible for payment is the person to whom the card is issued and the holder of the credit card used. In the case of third party call, the person or entity responsible for payment is the person responsible for payment for local telephone service at the telephone number that agrees to accept charges for the call. In the case of a Room Charge Call, the entity responsible for payment is the Aggregator controlling the telephone used to originate the call. In the case of all Operator Assisted Calls not involving credit cards, third party calls or Room Charge Calls, the person or entity responsible for payment is the Customer responsible for payment for local telephone service at the telephone used to originate the call.

Busy Line Interruption - A service that provides operator interruption of voice conversation in progress on a called line. (N)

Busy Line Verification - A service that provides operator assistance in determining if a called line is in use. (N)

Central Office - A Local Exchange Carrier switching system where Local Exchange Carrier customer station loops are terminated for purposes of interconnection to each other and to trunks.

Channel - A path for electrical transmission between two or more points, the path having a band width designed to carry voice grade transmission.

Common Carrier - A company or entity providing telecommunications services to the public.

Credit Card Call - A Direct Dialed or Operator Assisted Call for which charges are billed not to the originating telephone number, but to a credit card, such as Visa or MasterCard, or to a LEC or interexchange carrier calling card.

2. Definitions (Cont'd)

Customer - The person, partnership, association, joint stock company, trust, corporation, governmental entity or other entity, that is responsible for payment of charges and for compliance with this tariff.

Customer - Provided Facilities - All communications facilities provided by the Customer and/or Authorized User other than those provided by the Company.

Exchange - A unit established by the Local Exchange Carrier for the administration of communications service in a specified area which usually embraces a city, town or village and its environments. It consists of one or more Central Offices together with the associated facilities used in furnishing communications service within that area.

Direct Dialed Call - A telephone call which is automatically completed and billed to the telephone number from which the call originated without the automatic or live assistance of an operator. This includes calls forwarded by call forwarding equipment.

FCC - Federal Communications Commission

Local Exchange Carrier (LEC) - A telephone company which provides local telephone service to Customers within a defined exchange.

Long Distance Message Telecommunications Service (LDMTS) - The furnishing of direct dialed and operator assisted switched services to the Customer for the completion of long distance voice and dial-up low speed data transmissions over voice grade channels from the Company's Points of Presence to points as specified herein.

Operator Assisted Call - A telephone connection completed through the use of the Company's Operator Services.

2. Definitions (Cont'd)

Operator Station Calls - An Operator Assisted Call wherein the person originating the call is assisted by an operator but does not specify a particular person, department or extension to be reached.

Other Common Carrier - A common carrier, other than the Company, providing domestic or international communications service to the public.

Personal Identification Numbers (PINS) - Code numbers used in connection with designated telephone numbers which allow calls to be categorized for various applications.

Person-to-Person Calls - An Operator Assisted Call which is placed under the stipulation that the caller will speak only to a specific called party or to a specified extension or office. Such a call is not completed until either the specific party named by the caller is contacted, or the caller agrees to speak to a different party. The caller must arrange with the operator to make a person-to-person call; otherwise, all calls will be treated as Operator Station Calls.

Points of Presence - The sites where the Company provides a network interface with facilities provided by Other Common Carriers, Local Exchange Carriers or Customers for access to the Company's network.

Premises - A building or buildings on contiguous property (except railroad rights-of-way, etc.) not separated by a public street or highway.

Presubscribed Provider of Operator Services - The intrastate provider of operator services to which the consumer is connected when the consumer places a call using a provider of operator services without dialing an access code.

2. Definitions (Cont'd)

P.S.C. - Kentucky Public Service Commission.

Room Charge Call - A call placed with the assistance of an operator, for which charges are collected by an Aggregator (normally a hotel, motel or hospital) from the guest or occupant of the room from which the call originated. A call of this type requires that the Company communicate the call detail and charges back to the originating location following completion of the call. This service is provided only where authorized by the Aggregator.

Services - Telecommunications services provided to a Customer or Authorized User by the Company.

Telecommunications - The transmission of voice communications or, subject to the transmission capabilities of the Service, the transmission of data, facsimile, signaling, metering or any other form of intelligence.

Third-Party Call - An Operator Assisted Call for which charges are billed not to the originating number, but to another telephone number which is neither the originating nor the terminating telephone number.

Travel Card - A billing mechanism which enables a subscriber or customer to access the services of the carrier while away from home or office.

3. General Regulations3.1 Service Description

Intrastate Long Distance Message Telecommunications Service ("LDMTS") is offered to residential and business Customers of the Company to provide direct dialed and operator assisted calls placed between points in the State of Kentucky. The Company provides switched long distance network services for voice grade and low speed dial-up data transmission services. The Company does not undertake to transmit messages but furnishes the use of its services to its Customers for communications. All services are provided subject to the terms and conditions set out in this tariff.

3.2 Interconnection with Other Common Carriers

The Company reserves the right to interconnect its services with those of any Other Common Carrier, Local Exchange Carrier, or alternate access provider of its election, and to utilize such services concurrently with its own services for the provision of services offered herein.

3.3 Availability of Services

3.3.1 Services are furnished subject to the availability of the Service components required. The Company will: (1) determine which of those components shall be used and (2) make modifications to those components at its option.

3.3.2 Services are available twenty-four hours per day, seven days per week.

3. General Regulations (Cont'd)3.4 Use of Services

3.4.1 The Company's Services may be used for any lawful purpose consistent with the transmission and switching parameters of the telecommunications facilities utilized in the provision of the Services. All such usage shall be subject to the provisions of this tariff and the applicable rules, regulations and policies of the P.S.C. Customers and Authorized Users are prohibited from using, and by their acceptance or use of Service agree not to use, the Services furnished by the Company for any unlawful purpose or for any purpose prohibited under the provisions of any regulatory order.

3.4.2 The use of the Company's Services to make calls which might reasonably be expected to frighten, abuse, torment or harass another, or in such a way as to unreasonably interfere with use by others, is prohibited.

3.4.3 The use of the Company's Services without payment for Service, and all attempts to avoid payment for Service by, for example, fraudulent means or devices, schemes, false or invalid numbers or false calling or credit cards, are prohibited.

3.5 Undertaking of the Company

3.5.1 The Company undertakes to provide Intrastate Long Distance Message Telecommunications Service in accordance with the terms and conditions set forth in this tariff.

3.11 Cancellation or Interruption of Services

3.11.1 Without incurring liability, the Company may discontinue Services to a Customer or to a particular Customer location, or may withhold the provision of ordered or contracted Services with prior written notice of five (5) days under the following conditions:

- (a) For nonpayment of any sum due the Company for more than twenty (20) days after the mailing date of the bill for the amount due;
- (b) For violation of any of the provisions of this tariff;
- (c) For violation of any law, rule, regulation, or policy of any governing authority having jurisdiction over the Company's Services; or
- (d) By reason of any order or decision of a court having competent jurisdiction, public service commission or federal regulatory body or other governing authority prohibiting the Company from furnishing its Services.

3.11.2 Without incurring liability, the Company may interrupt the provision of Services at any time in order to perform tests and inspections to assure compliance with tariff regulations and the proper installation and operation of the Customer's and/or the Company's equipment and facilities, and may continue such interruption until any items of noncompliance or improper equipment operation so identified are rectified.

4. Pavment and Credit Reaulations4.2 Pavment for Service

The Customer is responsible for payment of all charges for Services, including charges for Services originated or charges accepted at the Customers' Service point.

4.2.1 Charges for third party calls which are charged to a domestic telephone number will be included on the Billed Party's local exchange telephone company bill pursuant to billing and collection agreements established by the Company or its intermediary with the applicable telephone company.

4.2.2 Charges for credit card calls will be included on the Billed Party's regular monthly statement from the card issuing company or will be included on the Billed Party's local exchange telephone company bill.

4.2.3 For Room Charge Calls, when requested by the Authorized User, and authorized by the Aggregator, the charges will be provided to the Aggregator for inclusion on the hotel, motel, or hospital bill of the Authorized User. In such cases, the Company will provide a record of the call detail and charges to the hotel, motel, or hospital for such billing purposes. The Aggregator is solely responsible for the collection of Room Charges from its guests, and remains liable to the Company for all Room Charge Calls regardless of whether such charges are in fact collected from the Authorized User.

4.2.4 Any applicable federal, state and local use, excise; sales or privilege taxes or similar liabilities chargeable to or against the Company as a result of the provision of the Company's services hereunder to Customer shall be charged to and payable by Customer in addition to the rates indicated in this tariff.

6. Specialized Services, Rates and Regulations6.3 Business One

ALLTEL Communication's Business One is a commercial offering for single or multi-location customers using switched or dedicated services on an inbound and/or outbound basis. Special calling card services are also available with this offering. Business One subscribers may utilize the service according to specific contract terms and conditions as described below for intrastate service.

6.3.1 Contract Terms and Rates - Plan 1

Customers may select a month-to-month plan, a 1 year \$50 monthly plan, or a year \$1,000 monthly plan. A Business One Customer selecting a 1 year term must commit to a minimum monthly usage as depicted in Section 6.3.1.A. This minimum usage threshold applies to every monthly billing period during the selected term, and must be paid regardless of the Customer's amount of usage during other billing periods. Customers selecting a 1 year term may change plans or terminate the service if Customer provides written notice within ninety (90) days of the initiation of service. A Business One Customer that does not provide such written notification within the required ninety (90) day period is obligated to the Company for its minimum monthly commitment for the remaining time period left in the one-year term. The following chart lists the contract term length and associated per minute rates and surcharges. The per minute rates listed below are flat rates effective at all times of day. This plan is only available to customers that currently subscribe to this service at their current location.

(N)

(a) Installation Postponement Charge

The confirmed due date for installation of service may be postponed by the customer according to the following guidelines.

- Customers will be allowed up to three changes from the original confirmed due date. The sum of the change requests cannot exceed 30 calendar days from the original requested due date.
- Any request to postpone the due date 30 calendar days beyond the originally scheduled due date will result in the order being cancelled. Standard cancellation fees will be applied and a new order request will need to be submitted.
- Customers may not request a due date change later than 3 days before the scheduled due date. From this time, the due date is considered firm and ALLTEL will complete the installation of the facilities as scheduled.
- Customers will be charged for each requested change to the due date. The charges will be applied on a graduated scale where the closer to the due date the higher the charge. The charges are to be applied as follows:

Change Requested	Installation Postponement Charge
10 business days before to the due date	\$100.00
Between 10 and 5 business days before the due date	\$350.00
Between 5 and 3 business days before the due date	\$850.00

(N)

(b) Installation Expedite Charge

(M)

The installation of service can be expedited at customer request to decrease the circuit delivery time from the standard provisioning interval. The charge to expedite installation is a one-time fee of \$850.00.

6.3.3 Contract Terms and Rates - Plan 3

Customers may select a month-to-month plan, a 12 month plan, a 24 month plan or a 36 month plan. A Business One Customer selecting a term must commit to a minimum monthly usage as depicted in Section 6.3.3.A. This minimum usage threshold applies to every monthly billing period during the selected term, and must be paid regardless of the Customer's amount of usage during other billing periods. Customers selecting a term may change plans or terminate the service if Customer provides written notice within ninety (90) days of the initiation of service. A Business One Customer that does not provide such written notification within the required ninety (90) day period is obligated to the Company for its minimum monthly commitment for the remaining time period left in the term. The following chart lists the contract term length and associated per minute rates. The per minute rates listed below are flat rates effective at all times of day. This plan is only available to existing customers at existing locations.
